

Brian Kayes – City of Brandon Director of Risk & Emergency Management

Brian studied Theatre at the University of Winnipeg many years ago but changed direction and began his Emergency Management career in Health Care. Most recently he has been the Emergency Coordinator for the City of Brandon for the past twenty years. Brian has a Master degree in Community Development and believes that everyone has a role to play in successfully managing emergencies.

Randy Hull – City of Winnipeg Emergency Preparedness Coordinator

Randy studied at the University of Manitoba, achieving a Bachelor Physical Education, many years ago. Changed career direction and began with the City of Winnipeg in Parks and Recreation, moved to Public Relations in Winnipeg Hydro, then concluded his career with the city as Emergency Preparedness Coordinator the last 16 years. Most recently Randy retired from the city, but has remained on part time. Randy also does training at Mohawk College in Hamilton ON. Randy also finds time to sing with a local community group and referee Volleyball having his National level certification.
