

Ray Unrau - City of Saskatoon, Director of Emergency Planning

Jean Longpre – Government Relations Emergency Management and Fire Safety – Program Coordinator

Ray Unrau began working as an EMT for MD Ambulance in 1982 and became a paramedic in 1987. He began working for the Saskatoon Fire Department in 1993 as a firefighter but transferred into the departments Training Division in 1999 to instruct the EMS program and eventually the Technical Rescue program. In 2002 Ray moved divisions to become the City of Saskatoon Emergency Measures Coordinator. Ray has been in EMO ever since and has been promoted to the position of Director of Emergency Planning for the City of Saskatoon.

Jean Longpre began working in Government in 1981 and has held various positions throughout her career. In 1998 Jean started working with the Provincial Wildfire program where she worked extensively in Northern Saskatchewan supporting Type 1 wildfire operations as an Incident Command Section Chief and as an ICS team assessment officer. In December of 2012 Jean accepted a position with Emergency Management and Fire Safety in Regina and has been dedicating her time to the development and implementation of a provincial public alerting program – SaskAlert.
